

SAY GOODBYE... SAY HELLO...

We are sad to see her go but wish Karen Kibler the best of luck at her new job in her hometown of Dayton, Ohio. She has accepted a position as a Family Assessor for Green County Children Services. We will miss her greatly but are happy to welcome Sarah Virost as our new caseworker! Sarah is originally from San Antonio, Texas, a graduate of BGSU and a licensed social worker. You will have an opportunity to meet Sarah very soon!

4 ways to enrich your family's sports watching

Mute the commercials. Your kids don't need to see ads for adult products advertised during sports events. Use the break to talk to your kids about the game instead.

Share your love of the game. Involve your kids in your enjoyment of the game. Many a fond memory has formed from the experience of watching the game and hanging out with dear old Dad (or Mom!).

Be a good sport. Point out good sportsmanship (and call out sore losers). And remember, your kids watch how you respond to the game -- so emphasize athletic effort and teamwork.

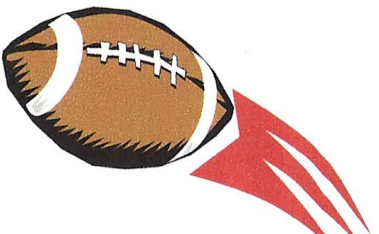

Get in the game! Get outside and practice the sports you love to watch.
